Highlights

ICSA 2026 President-Elect and Board of Directors (2026-2029)

Congratulations to Dr. Rui (Sammi) Tang, who was elected as the ICSA 2026 President-elect, and to Drs. Xiaotian Chen, Dehan Kong, Grace S. Shieh, Jingjing Ye, and Yichuan Zhao, who were elected as the new members of the ICSA Board of Directors for 2026-2029. Thank you to the Nominating and Election Committee, chaired by Dr. Hongjian Zhu, and all members who participated in the vote.

ICSA Symposium 2026 (June 14 – 17, 2026)

The 2026 ICSA Symposium will be held at George Mason University, VA, from June 14 to June 17, 2026. Dr. Lily Wang (lwang41@gmu.edu) and Dr. Wanli Qiao (wqiao@gmu.edu) will co-chair the symposium. Stay tuned for more details on keynote and banquet speeches, scientific sessions, short courses, poster sessions, and other programs.

ICSA China Conference 2026 (June 26 – 29, 2026)

The 2026 ICSA China Conference will be hosted by the Department of Statistics and Data Science, Southern University of Science and Technology in Shenzhen, China. The conference is scheduled to be held from June 26 to June 29, 2026. Dr. Qiman Shao (shaoqm@sustech.edu.cn), Dr. Tony Jianguo Sun (sunjg@sustech.edu.cn), and Dr. George Tseng (ctseng@pitt.edu) will co-chair the conference. Stay tuned for more details in the coming months on the keynote and banquet speeches, scientific sessions, and other programs.

Call for 2026 ICSA Awards Nomination

ICSA has established multiple categories of prestigious awards each year for ICSA members, as well as the President's citation award.

- Distinguished Achievement Award
- Outstanding Service Award
- Outstanding Young Researcher Award
- Catalyst for Impact Award

To elevate the impact of the ICSA awards, the ICSA Executive Committee has decided to adjust the timeline of the awards nomination as well as the announcement of winners. For the yearly awards, **the candidates for next year's awards will be nominated from September until the**

end of November of the current year. For example, the Year 2026 Awards will be nominated due by November 30th, 2025.

The 2026 ICSA Awards Nominations have started. Please use the following links to submit your favorite candidates to each award category. Here is the submission form: https://docs.google.com/forms/d/e/1FAIpQLSfPng_8x8TATi-0y64LerhLMdKCsaN3Wn1niheHM7kT-CKRJA/viewform?usp=header

During the month of December, the **Awards Committee** will work out the list of winners from candidates and submit them to the Executive Committee and the board of directors for approval. The winners of each Award category will be contacted and invited to attend the ICSA Applied Statistics Symposium. One session will be reserved for the award winners, e.g., the session “**ICSA Awards Plenary Session**”, in the ICSA symposium. An **Awards Ceremony** will be in the General Member Meeting during the ICSA symposium. The award winners, friends and families, and the ICSA members are encouraged and invited to the ceremony.

In addition, ICSA also established the following awards:

Awarded in the ICSA International Conferences (every 3 years)

Pao-Lu Hsu Award

Peter Hall Lecture

ICSA Conference Awards (during the ICSA conferences):

Junior Researcher Award

New Researcher Award

Student Travel Awards

Jiann-Ping Hsu Pharmaceutical and Regulatory Sciences Student Paper Award

Jointly with other associations

Lingzi Lu Memorial Award

ICSA Initiatives

ICSA is excited to share several key initiatives and collaborations with our members:

- Collaborates closely with other statistical associations: ASA, IMS, ISI, IISA, and KISS.

- ICSA and IMS have established a joint membership. ICSA is working with ASA to establish joint membership. The terms will be finalized soon. Soon, you will find out it is easy to get two memberships.
- Established the ICSA By-laws and Constitution committee. The committee is working hard to update the bylaws. Reach out to the committee if you have any suggestions.
- Established a new ICSA award category: Catalyst for Impact Award. The 1st award has been nominated and awarded. See details in the Awards Section of this issue of the newsletter.
- The ICSA Outreach and Engagement Committee has made tremendous efforts to expand service for ICSA members and outreach to attract students and statisticians to join the prestigious statistical society. You may have noticed the following, among others:
 - ICSA Webinars and webinar series. See more detailed information in the Webinar Section of this newsletter.
 - ICSA-sponsored events. ICSA has established a general procedure to sponsor an event, either social or academic, to outreach and benefit the ICSA members.
 - Social media communications. You may notice that the ICSA has information delivered through multiple social media channels, including the ICSA website (www.ICSA.org), member email List, and social media (X@ICSA_Statistics, Youtube@ICSA_Statistics, @ICSA-Webinar, Linked-in, etc.)
- We are pleased to announce that **the ICSA Mentor/Mentee Program** has been initiated. The committee has been established to support junior statisticians as they transition from academia to industry. We **are seeking experienced professionals to serve as mentors**. Eligible mentors should have a minimum of three years of industry experience (e.g., pharma, biotech, financial, commercial, information technology, etc.); a passion for mentoring and supporting junior statisticians. If you meet the eligibility criteria and are interested in becoming a mentor, please register via [this link](#). Further details and schedules will be provided.

The 13th ICSA International Conference (December 17 – 20, 2025)

This conference will take place at Academia Sinica, Taipei, Taiwan. With the theme “The New Frontier: Statistical Science in a Changing World,” this prestigious event will be co-organized by ICSA, the Institute of Statistical Science, Academia Sinica (ISSAS), in collaboration with the Chinese Institute of Probability and Statistics (CIPS). For detailed information, you may refer to <https://www3.stat.sinica.edu.tw/joint2025/>. ICSA members may contact Dr. Xinping Cui (xpcui@ucr.edu), or Dr. Ying Zhang (ying.zhang@unmc.edu) for the conference programs.

International Chinese Statistical Association

泛華統計協會

Registration is open via this link: [The 2025 Joint Meeting of Taipei International Statistical Symposium and ISI Regional Statistics Conference.](https://www3.stat.sinica.edu.tw/joint2025/)

Keynote speakers include Dr. Genevera Allen from Columbia University, Dr. Jianqing Fan from Princeton University, Dr. Danyu Lin (awarded Peter Hall Lecture) from the University of North Carolina at Chapel Hill, and Dr. Amy Xia from Amgen. In addition, a plenary lecture will be delivered by the Pao-Lu Hsu Award winner Dr. Hui Zou from the University of Minnesota.

International Day of Women in Statistics & Data Science Conference (IDWSDS) (October 14, 2025)

IDWSDS is a global, free 24-hour, virtual conference held annually, hosted by the Caucus for Women in Statistics & Data Science. The theme is "**Thriving in Your Environment**".

Sponsorship Opportunities via this link: <https://www.idwsds.org/sponsorship/>

7th Institute of Mathematical Statistics Asia Pacific Rim Meeting (IMS-APRM), Hong Kong, June 13 - June 16, 2026

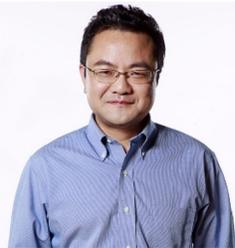

The seventh Institute of Mathematical Statistics Asia Pacific Rim Meeting (IMS-APRM) will be held in Hong Kong from June 13 - June 16, 2026. This global forum will connect researchers from Asia, the Pacific Rim, and beyond to foster collaboration and advance the statistical profession. Building on past successes, the event will feature keynote speeches, panel discussions, and workshops covering theoretical, methodological, and applied topics. Attendees can expect rich opportunities for idea exchange, networking, and professional development in the dynamic setting of Hong Kong. ICSA has already been allocated one distinguished lecture, **Mathematical Underpinnings of Distributed Inference: From Theory to Real-World Applications**, and three invited sessions. For more information, please use the website [IMS-APRM CUHK 2026](#) or contact Prof. Ying Zhang (ying.zhang@unmc.edu).

Corner to Celebrate ICSA Members

This section was created to highlight the achievements of our members. All ICSA members are encouraged to contact Dr. Jun Zhao, the ICSA Executive Director (executive.director@icsa.org) with a brief introduction about themselves and the award.

2025 ICSA Award Winners

2025 ICSA Distinguished Achievement Award

Hongtu Zhu, Ph.D.

The University of North Carolina at Chapel Hill

For outstanding contributions to the fields of statistical methodology and applications in neuroimaging, big data integration, and imaging genetics, exemplified by pioneering advances in multimodal medical image analysis, innovative statistical learning techniques for large-scale biomedical data, and leadership in developing critical resources that bridge genetics and brain health.

2025 Outstanding Service Award

Xuming He, Ph.D.

Washington University in St. Louis

For outstanding contributions to modernizing ICSA governance during his presidency in 2010, initiating the Pao-Lu Hsu Award, advancing scholarly publishing through the founding of Statistics in Biosciences, and enhancing the impact of ICSA conferences and journals through sustained leadership and editorial service.

Gang Li, Ph.D.

University of California - Los Angeles

For transformative and sustained leadership to the ICSA, most notably during his presidency (2022–2024), where he expanded global outreach, launched impactful initiatives such as the ICSA Webinar Series and social media platforms, and significantly strengthened the society's visibility, membership, and international collaborations.

2025 ICSA Outstanding Young Researcher Award

Lihua Lei, Ph.D.

University of California - Berkeley

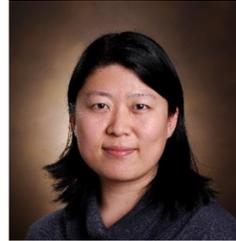

For outstanding contributions to the fields of innovative statistical methodologies for causal inference, multiple testing, high-dimensional data analysis and optimization, with impactful applications across economics, social sciences, and biomedical research.

2025 ICSA President Citation Award

Qingxia (Cindy) Chen, Ph.D.
Vanderbilt University

Dandan Liu, Ph.D.
Vanderbilt University

In recognition and appreciation of dedicated and outstanding service and leadership as the Co-Chair of the Executive Committee for the 2024 ICSA Applied Statistics Symposium.

Xinping Cui, Ph.D.
University of California, Riverside

In recognition and appreciation of dedicated and outstanding service and leadership as the Co-Chair of the Program Committee for the 2024 China Conference.

Pao-Lu Hsu Award

Hui Zou, Ph.D.
University of Minnesota

For groundbreaking contributions to the fields of high-dimensional statistics and statistical machine learning, through the development of methods such as the elastic net, adaptive Lasso, and local linear approximation, which have had lasting impact on variable selection, graphical modeling, and sparse estimation.

Catalyst for Impact Award

Jie Chen, Ph.D.

Taimei Intelligence Biopharma R&D Co. Inc.

For outstanding contributions to innovative statistical methodologies in drug safety and real-world evidence, significantly advancing biopharmaceutical development and regulatory science while fostering leadership and mentorship in the global statistical community.

ICSA Springer Book Series in Statistics

The editor of the ICSA Springer book series in statistics, Dr. Din Chen, has reported that there are [29 books](#) in the series now. **One new book** will be published in 2026, along with 1 and 3 books published in 2025 and 2024, with a detailed message below. If you plan to write books in the series, please contact the co-editors Dr. Din Chen (Ding-Geng.Chen@asu.edu) and Dr. Yichuan Zhao (yichuan@gsu.edu).

ICSA Co-sponsored Journal Statistica Sinica

Statistica Sinica is co-sponsored by the Institute of Statistical Science Academia Sinica (ISSAS) at <https://www.stat.sinica.edu.tw/eng/index.php>. Forthcoming papers' information is available at <http://www3.stat.sinica.edu.tw/statistica/>. The new issue ([Volume 35 Number 4, October 2025 \(sinica.edu.tw\)](#)) is published.

There are two online special issue for your references:

[Vol. 35 Online Special Issue II, July 2025](#): Network Data Analysis

[Vol. 35 Online Special Issue I, January 2025](#): Data Privacy: Overview

ICSA members have access to these articles via the "membership only area" at <http://www.icsa.org>. If you have any problems with subscription, please contact the editorial office through ss@stat.sinica.edu.tw.

ICSA Meetings and Events

The ICSA meetings and events are sponsored by the ICSA. Normally official meetings and events appear on the ICSA website and multiple ICSA communication platforms. If you have any questions, please contact Dr. Jun Zhao, the ICSA Executive Director (executive.director@icsa.org).

All upcoming ICSA conferences and events are listed under the [highlights section](#).

Co-Sponsored Meetings and Events

ICSA has established a general process for co-sponsorship of conferences and events with other organizations and groups. If you are interested in co-sponsoring a conference or an event (e.g., a social event, a career event, etc.) with the ICSA, please contact Dr. Jun Zhao, the ICSA Executive Director (executive.director@icsa.org) for the details.

All upcoming ICSA co-sponsored conferences and events are currently listed under the [highlights section](#).

Online Training and Seminars

ICSA Webinar Series

The ICSA (Webinar subcommittee, Outreach and Engagement Committee) is planning multiple series of webinars, with topics ranging from career development, statistical knowledge, to cutting-edge statistical methodologies. ICSA members and friends will be notified of future Webinar information through emails, ICSA websites, social media (e.g., X, WeChat, Linked-in), and other social media platforms. The Career Development Webinar Series has been successful and attracted many attendees, especially many junior level statisticians. The ICSA Journal Highlight Series has been initiated. Stay tuned on other Webinar series that are planned by the Webinar committee.

Upcoming Webinar

Date/time: Friday, October 24th, 2025, 3:00-4:00PM EST

Title: Leading Science and Clinical Research – Biostatistics in the Age of AI

Speaker: Dr. Haoda Fu (Amgen)

Facilitator: Helena Fan

Free event, but registration is needed via this link:

https://us06web.zoom.us/webinar/register/WN_CIn7TD-6QTOa3NLehL1H3w

All the past webinars are recorded, including:

- ICSA Mentoring Lounge – Grand Opening (October, 2025)
- Panel Discussion with Journal Editors (March 2025)
- Soft Skills and Leadership Development in the Pharmaceutical Industry – The Lotus Group series
 - No Experience, No Problem – Launching a Prosperous Career in the Pharmaceutical Industry (February 2024)
 - Elevating Careers Through Recognition and Visibility (April 2024)
 - Effective Communication at Work (October 2024)
 - From Campus to Pharma: Interview prep for Aspiring Statistician (February 2025)
 - The Art and Science of Negotiation as a Biostatistician (May 2025)
- Basic Knowledge Training in the Pharmaceutical Industry
 - The Art and Science of Negotiation (May 2025)
 - Causal Inference in Pharmaceutical Statistics (April 2025)
 - Daily Work Life as a Statistician in Pharmaceutical Industry (March 2024)
 - Clinical Development Plan - Understanding the Big Picture as a Statistician in the Pharmaceutical Industry (May 2024)

- Main Emphasis of a Statistician's Work in the Pharmaceutical Industry — Section 1: Late-stage Clinical Trial Design (November 2024)
- Main Emphasis of a Statistician's Work in the Pharmaceutical Industry -- Section 2: Clinical Trial Data Analysis (March 2025)
- Causal Inference in Pharmaceutical Statisticians (April 2025)
- Overview of Analysis Strategy on Handling Missing at Random Data and Estimand (September 2025)

Records and slides are available in this link: [Past Webinars – International Chinese Statistical Association \(icsa.org\)](#).

Healthcare Innovation Technology: The Pod of Asclepius

Looking to stay up to date on developments in health care technology around the world? The American Statistical Association is sponsoring “The Pod of Asclepius”, a new podcast where data scientists, statisticians, engineers, and regulatory experts discuss the technical challenges in their healthcare domain.

We have over 20 episodes published and available on YouTube, Podbean, iTunes, Stitcher, Podchaser, Tune In Radio, and Google Play.

Looking for a good place to start? Check out the following newly released episode links:

- [The Logic of Statistics](#) with Keith O'Rourke
- [Causal Inference \(The Mixtape\)](#) with Scott Cunningham

The easiest way to catch new episodes is to subscribe via our channels....

Youtube: <https://www.youtube.com/channel/UCkEz2tDR5K6AjlKw-JrV57w>

Podbean: <https://podofasclepius.podbean.com>

You can see our full schedule on the website: www.podofasclepius.com

Fall Series: The Philosophy of Data Science

The series is aimed at incoming statistics and data science students (but will be of significant interest to the general statistics / data science community). The topics will focus on how scientific reasoning is essential to the practice of data science.

For detailed information, please visit: <https://www.podofasclepius.com/philosophy-of-data-science>.

Job Listings

Assistant Professor in Optimization and Operations Research / Statistics and Data Science / Financial Mathematics / Engineering and Computational Mathematics / Mathematical Science (Ref. 250912002), The Hong Kong Polytechnic University

With over 85 years of rich heritage, The Hong Kong Polytechnic University (PolyU) has evolved alongside society and made pivotal contributions to the development of Hong Kong, the Nation and the world. The University pursues world-class excellence in education, research and knowledge transfer to nurture socially responsible leaders and professionals, as well as to drive impactful research and innovation. PolyU will strive to continually excel as an innovative world-class university that makes a positive impact on society, living up to the University's motto: "To learn and to apply, for the benefit of mankind".

Ranked among the top 100 universities globally by well-known ranking organisations such as Quacquarelli Symonds (QS), Times Higher Education (THE) and U.S. News & World Report, PolyU offers a wide range of world-class educational and research programmes in seven faculties and three independent schools. PolyU has furthermore achieved commendable results in the QS World University Rankings by Subject 2025 – it is ranked in the global top 30 for seven subjects, is first in Hong Kong for three subjects, and is in the global top 100 for 26 subjects. For further details about the University, please visit PolyU's website at <https://www.polyu.edu.hk/>.

DEPARTMENT OF APPLIED MATHEMATICS

The Department of Applied Mathematics (AMA) is part of the newly formed Faculty of Computer and Mathematical Sciences established on 1 January 2025. Apart from making a significant contribution to most of other academic programmes of the University by providing service teaching, the Department also offers master programmes in Applied Mathematics for Science and Technology, Operational Research and Risk Analysis and Quantitative Finance and FinTech. Starting from 2025/26 academic year, the Department will offer a new Bachelor Scheme in Applied Mathematics and Finance Analytics and Fast-track Integrated Bachelor's and Master's Degree Programmes. Members of the Department have expertise in optimization and optimal control, engineering computation, operational research, management science and statistics, FinTech, data science and machine learning. There are currently 51 academic staff and

about 154 research personnel in the Department. Please visit the website at <https://www.polyu.edu.hk/ama/> for more information about the Department.

The Department has established a Joint Laboratory of Applied Mathematics with the Academy of Mathematics and Systems Science of the Chinese Academy of Sciences. The appointees are expected to be actively involved in the activities of the Laboratory.

Duties

The appointee will be required to:

- (a) teach and contribute to curriculum development at undergraduate and postgraduate levels;
- (b) supervise MPhil and PhD students;
- (c) engage in scholarly research, consultancy and other scholarly activities leading to publications in top-tier refereed journals and award of research grants;
- (d) undertake academic and departmental administrative duties; and
- (e) perform any other duties as assigned by the Head of the Department or his delegates.

Qualifications

Applicants should:

- (a) have a PhD degree in Mathematics / Statistics / Financial Mathematics / Operations Research / Computational Mathematics / Applied Mathematics or a closely related field with strong analytical background;
- (b) have expertise in applied statistics, operation research or mathematics;
- (c) have an established track record in research and scholarship, including refereed publications and external grant applications;
- (d) have a demonstrated commitment to excellence in teaching; and
- (e) be highly proficient in written and spoken English.

Conditions of Service

A highly competitive remuneration package will be offered. Initial appointment will be on a fixed-term gratuity-bearing contract. Re-engagement thereafter is subject to mutual agreement. For general information on terms and conditions for appointment of academic staff in the University, please visit the website at <https://www.polyu.edu.hk/hro/docdrive/careers/doc/Prof.pdf>.

Application

International Chinese Statistical Association

泛華統計協會

Please submit an application through PolyU's career website (<https://jobs.polyu.edu.hk/academic>). Consideration of applications will commence on 3 October 2025 until the position is filled. The University's Personal Information Collection Statement for recruitment can be found at https://www.polyu.edu.hk/hro/careers/pics_for_recruitment/.

Assistant Professor, Associate Professor, Professor at Department of Applied Mathematics, National Sun Yat-sen University, Kaohsiung, Taiwan

The Department of Applied Mathematics at National Sun Yat-sen University invites applications for several full-time faculty positions (availability subject to the approval by the University) beginning at February 1 or August 1, 2026. Recent PhDs and young researchers with exceptional potential are invited to apply for an assistant professorship, and senior fellows with academic reputation will be considered for an associate or full professorship. Applicants in all areas of mathematics, applied mathematics, scientific computing and statistics, as well as those specializing in data science and AI will be considered. A successful candidate should have a Ph.D. in relevant subjects, and the ability to teach in English. Applicants please send a cover letter of application, curriculum vitae, transcripts of highest degree, publication list, and three recommendation letters to the following address by post or email, and fill in the online form for basic information.
